- Waite, Alden H. Papers. 7 Boxes. Arch.
Includes materials on his service in Chemical Warfare Service, WWI-1950.

See also:

-Bibliography on Edgewood Arsenal in Forts; WWI Veterans Survey, especially Chemical Warfare, Arch.

-Peach Pit Drive, WWI

In 1917-18, the US War Dept searched for sources of charcoal suitable for gas mask canisters. Included in this carbon search was a nut-gathering campaign sponsored by the Boy Scouts and various other organizations in Sep 1918. Peach pits, no doubt, also qualified as sources. See:
